# LLB in the UK for Indian Students

**Bachelor of Laws**, popularly known as LLB, is an undergraduate programme in the United Kingdom meant solely for those aspiring to become barristers or solicitors in the UK. Further, suppose you are inclined towards **politics or journalism**. In that case, an LLB degree will also give you an excellent launchpad for your ambition. The universities in the UK allow law students to combine their core curriculum with other subjects such as journalism, business, or politics. Indian students can join the **LLB programme either after class 12 or after completing their bachelor's degree here in India**. But a sound academic track record is a must to get **admission to reputed colleges**. LLB programmes offered by UK universities are usually accredited by the Law Society of England and Wales and the Bar Council of England and Wales.

## Benefits of Studying LLB in UK

- **Global recognition:** The legal system of the UK is recognised globally, and it's the basis of several countries' legal systems. The UK is the birthplace of common law. Today, more than a third of the world's legal systems are based on the **English common law**.
- **Shorter duration:** The course duration of LLB in UK universities is shorter compared to that offered by universities located in the US and Canada. Usually, it takes **3 years to complete** the classroom learning and another year for the **Legal Practice Course**. After this, the students can apply for a training contract at any law firm.
- **Top law schools of the world:** The UK is the home of the world's most reputed law schools. Studying in these institutes helps you receive a world-class education. Additionally, your degree will be recognised in the UK and many other countries.
- **Employability:** Doing LLB in a UK university helps you learn about the laws covering the entire UK and those specific to Scotland, Northern Ireland and England & Wales. It increases your chance of getting employed soon after completing the programme.

Apart from the regular curriculum, many universities include activities that help law students develop the necessary skills to succeed in legal and non-law careers.

- **Work in the UK after graduating:** After completing your LLB programme, you can stay and work in the UK. The Graduate Route allows international students to remain in the **UK for two years after graduating**. The students need not have a **job offer to apply for the Graduate Route**. The Graduate Route requires a new visa application, which is possible only from inside the UK.

## LLB Course duration in UK

Usually, a **full-time LLB programme takes 3 years to complete**. But several [UK universities](#) ask students with no prior exposure in law to take an additional Foundation Year before starting their LLB. It helps students to acquire all the required skills for their undergraduate programme. Hence, LLB with Foundation Year is a **4-year full-time** programme. A large number of universities offer this programme only for September start.

Other than this, universities in the UK also provide a **2-year full-time** law programme called **Accelerated LLB Programme**. The course content of both the Accelerated LLB programme and the standard LLB undergraduate programme are the same. Most universities prefer only graduates from other disciplines for their Accelerated LLB. This fast-track programme demands extra time for studies every week. Accelerated LLB allows students to move on to postgraduate programmes sooner.
