## Placements for Masters in Clinical Psychology

One of the most important things to note is that mere completion of a Masters in Clinical Psychology does not qualify you for clinical practice in the UK. For a career as an independent practising clinical psychologist, you will need to have a minimum of three years of a doctorate in clinical psychology which is HCPC (Health Care Professionals Council) approved. However, this does not mean that you cannot work at all. With a master's degree, you can apply for assisting roles like assistant psychologists or work under a practising clinical psychologist.

Job Profile	Average Annual Salary (GBP)	Average Annual Salary (INR)
Assistant Psychologist	25,362	21,57,192
Trainee Clinical Psychologist	30,297	25,76,943
Consultant Psychologist	70,769	60,19,332
Substance Abuse Counsellor	23,300	19,81,806
Forensic Psychologist	48,139	40,94,514

School/Career Counselor	28,363	24,12,445
